be a Pole by birth, but few of his many read-

A writer who has been digging into the for-  
gotten records of a century and a quarter ago  
brings up the fact that in 1784 a committee  
was appointed to suggest names for the new  
territories in the West. Here are some of the  
fanciful names that were put under consid-  
eration: Sylvania, Michigania, Chersonesus, A-

Robert Hunter, the wealthy head worker of  
the University Settlement in New York City,  
declares that, despite the child labor law, and  
undeterred by the Labor Inspectors, there is one  
factory in which there are at work 300 chil-  
dren under fourteen years of age. In another  
factory, he adds, one boy nine years of age was  
employed; his sister, at the age of seven, and a  
younger brother, four years old, earning nine-  
teen cents a day. In another place a girl of  
three was at work.

## What to Do If Constipated

Q. What is the beginning of sickness?  
A. Constipation.

Q. What is Constipation?  
A. Failure of the bowels to carry off the waste  
matter which lies in the alimentary canal where  
it decays and poisons the entire system. Eventu-  
ally the results are death under the name of some  
other disease. Note the deaths from typhoid  
fever and appendicitis at the present time.

Q. What causes constipation?  
A. Neglect to respond to the call of Nature  
promptly. Lack of exercise. Excessive brain  
work. Mental emotion and improper diet.

Q. What are the results of neglected Constipa-  
tion?  
A. Constipation causes more suffering than  
any other disease. It causes rheumatism, colds,  
fevers, stomach, kidney, lung and heart troubles,  
etc. It is the one disease that starts all others.  
Indigestion, dyspepsia, loss of sleep and strength  
are its symptoms—piles, appendicitis and flatu-  
lence are caused by Constipation. Its consequences  
are known to all physicians, but few sufferers re-  
alize their condition until it is too late. Women  
become confirmed invalids as a result of Constipa-  
tion.

Q. Do physicians recognize this?  
A. Yes. The first question your doctor asks  
you is "Are you constipated?" That is the secret.

Q. Can it be cured?  
A. Yes, with proper treatment. The common  
error is to resort to physics, such as pills, salts,  
mineral water, castor oil, injections, etc., every  
one of which is injurious. They weaken and  
increase the malady. You know this by your own  
experience. Just the opposite effect is what you  
need.

Q. What then should be done to cure it?  
A. Write to Mull's Grape Tonic Co., 217 3d  
Avenue, Brooklyn, N.Y., who will send you a  
free bottle of Mull's Grape Tonic and instructions  
how to positively cure Constipation and in the  
shortest space of time. No other remedy has  
before been known to cure Constipation positively  
and permanently.

Q. What is Mull's Grape Tonic?  
A. It is a Grape Compound that exerts a pe-  
culiar healing influence upon the intestines,  
strengthening the muscles of the alimentary  
canal so that they can do their work unaided.  
The process is gradual but sure. It is not a  
physic. It is unlike anything else you have ever  
used, but it cures Constipation. Having a rich,  
fruity grape flavor, it is pleasant to take.

Q. Where can Mull's Grape Tonic be had?  
A. Your druggist sells it. The dollar bottle  
contains nearly three times the 50-cent size, but  
if you write TODAY you will receive the first  
bottle free with instructions. This test will  
prove its worth.

## GONE FOR GOOD.

No Need for Any Maysville Sufferer to  
Fear That It Will Return.

The pain often returns to the aching back  
when you think you are rid of it. No fear that  
it will return again after using Doan's Kidney  
Pills. This remedy makes bad backs well and  
weak backs strong and keeps them. The testi-  
mony of people who have tried them proves the  
truth of this statement. You can readily  
verify the truth of such testimony as the fol-  
lowing:

John Wallingford, living at the corner of  
Commerce and East Second street, Maysville,  
Ky., says:

"I first used Doan's Kidney Pills in 1899 and  
they stopped an attack of backache, which had  
annoyed me for some time. My wife at that  
time gave for publication in our local papers a  
statement telling of the great benefit I had de-  
rived from Doan's Kidney Pills, and now, some  
five years later, I can say that the cure then  
effected has been complete and permanent.  
My back and kidneys have never given me the  
least cause for complaint. Mrs. Wallingford  
also appreciates the value of Doan's Kidney  
Pills from personal experience with them. She  
suffered most acutely with backache, especially  
at night, and Doan's Kidney Pills promptly and  
thoroughly cured her."

For sale by all dealers. Price 50 cents a box.
